About our presenter: Karen Profenna, CTDI, APDT Member, CPE Member, NADAC Member

Trick training enhances your relationship and bond with your dog. Positive training motivates and stimulates your dog so that you have a happy, trusting team that works well together. Tricks help in every aspect of competition as you teach your dog that it is fun to play with you. Attention earns a reward.

I have worked with my dog, Hailey, since she was a puppy. Now at the age of 8, she competes in Agility, Rally & Obedience and has earned her C-ATE in CPE (close to C-ATE 2), MACH in AKC (4 double Q's away from MACH2), AD in USDAA (got a buy for Regionals) has all her Elite titles and close to a NATCH in NADAC, has DOCNA titles, Rally APDT Level 3 title, and CDSP Utility Title. Hailey is a TDIEOV certified therapy dog through TDI (Therapy Dogs International) and performs in excess of 200 visits a year to nursing homes, convents, hospitals, senior centers and disaster sites. She performs in excess of 150 tricks and performs them cheerfully and eagerly. She has an agent and does TV Commercials, Books, training videos and print ads. Her most recent commercial was aired on Thanksgiving Day with her playing the piano. Hailey also has her CGCA and TT titles. She dabbles in freestyle and is a Trick Dog Champion (TDCH).

Patience and perseverance has turned a hyper destructive dog into a loving obedient, fun and challenging companion. Hailey's goal in life is "how can I please, let me try the ways...."
