Measuring and Height Card Information

If your dog does not have a Temporary or Permanent Height Card, or if your dog has turned two years of age, since getting your Temporary Height Card, your dog **NEEDS** to be measured.

All dogs competing in agility must possess an official AKC Jump Height Card. Dogs that do not have a valid Jump Height Card **must** be measured by a judge of record for that trial and will only be effective for that set of trials, excluding the dogs jumping in the 24-inch division.

If an official measurer is present, all dogs that have not been issued a Permanent Jump Height Card or Temporary Jump Height Card (yellow form) must be measured for a Jump Height Card regardless of the jump height entered.

If there is not an AKC Field Rep or VMO in attendance, all dogs that have not been issued a Permanent Jump Height Card or Temporary Jump Height Card (yellow form) may still compete; however, they must be measured by a judge of record for the trial, prior to running at each trial. The judge's measurement will be valid for this trial or back-to-back trials only.

If a dog is measured by an AKC Field Rep or VMO and is now eligible to jump in a lower height class, the measurement is effective immediately for any future runs. This does not apply to a challenged measurement for a Permanent Jump Height Card.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process.

It is the sole responsibility of the Exhibitor to have their original, official Jump Height Card or Temporary Jump Height Card (yellow form) at each trial to present upon request. Additionally, if a measurement is necessary, it is the Exhibitor's responsibility to have their dog measured prior to running. Regulations for Agility Trials, Chapter 2, Section 4.

Trial Regulations Notice to Exhibitors

THE TRIAL will be open from 7:00 a.m. until 30 minutes after the last run of the day.

TRIAL COMMITTEE will use due care and diligence for the welfare of dogs and Exhibitors, but will not be responsible for, nor assume any liability in the event of an accident or misfortune to either dogs or Exhibitors participating in this show.

THE SAFETY OF THE DOGS is our primary concern. By entering this trial, Exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all the obstacles safely.

DOGS MAY ARRIVE any time prior to judging, if the dog does not need to be measured. Otherwise, they must be available for measuring before their class begins.

JUDGES ARE NOT REQUIRED TO WAIT FOR DOGS. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Practice Jump: A practice jump may be provided for Exhibitors to warm up

Course Walk Throughs: Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings, may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. Umbrellas are not permitted during the walk-through

Exhibitors should follow their Veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

**According to New York State Law,
Rabies vaccination and dog license are mandatory.**

ALL EXHIBITORS MUST PICK UP AFTER THEIR DOGS!!

If a withdrawn entry is replaced by a waitlisted entry, a full refund will be issued for the withdrawn entry. If the withdrawn entry after closing cannot be replaced, no refund will be due. Any waitlisted entry that does not move off the waitlist into the trial, checks will be shredded

Notes From the Trial Secretary

- **PLEASE USE EITHER THE ENTRY FORM FROM THIS PREMIUM OR THE AKC WEBSITE!**
- Remember to check the box if your dog needs to be measured. If you forget this will default to "no", does NOT need to be measured.
- Reminder, please DO NOT send me your height card
- Mixed Breeds - Remember to mark your breed as All American Dog
- For overnight delivery please remember to sign the signature waiver.
- Double and triple check your entry form and your payment. Any entry received with the improper funds constitutes an invalid entry.
- Do not make checks out to me. Please make checks out to Dog Agility Club of Long Island.
- Please make sure you enter your dog in the proper height class.

DATA ENTRY AND CHANGES TO YOUR INFORMATION

Data entry mistakes happen. That is why we ask everyone to READ their preliminary confirmation and final confirmation. For the majority of entries, dog and owner/handler information remains the same. However, if you have a new email address, new titles, new handler, new address and phone, new jump height (including jump height changes from trial to trial. For example, dog jumps 24" at one trial, then 26" in the next trial.) Highlighting ANY of these changes on entry forms would be especially helpful so that these changes can be updated in our database. Then, please review your confirmations carefully to ensure that your requested changes have been made.

For overnight delivery, signature waiver - Please remember to check the No Signature Required box AND sign that spot where you authorize them to deliver.

Move-Up Deadline: Remember that the move-up deadline for your first day of a weekend trial is ALWAYS Monday at 6:00 pm. Please send those move-ups in right away.

Novice Exhibitors: Please read the section on the move-up form or under move-ups about when you need to change from Novice A to Novice B and also read the section under classes to determine whether you should enter Novice A or Novice B level classes.

Email Correspondence

We ALWAYS acknowledge all entries with an email. You will either get a preliminary confirmation or waitlist email. If you do NOT receive an email from me DO NOT assume you didn't get into the trial. You NEED to assume I didn't get your entry. And please allow two weeks after opening for me to process the entries.

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone, or need help, please call 800.656.HOPE (National Sexual Assault Hotline) or text HOME to 741-741 for free, 24/7, confidential services from trained crisis counselors.

Move-up Clarification

As per Chapter 1

Section 20. Move-ups. Move-ups prior to a set of trials: Dogs shall be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made in writing to the Trial Secretary not later than 6:00 p.m. on the Monday preceding the set of trials for trials starting on a Thursday-Sunday.

Day-to-Day Move-ups: Move-ups from day-to-day at a set of back-to-back agility trials shall be at the discretion of the club. The request for moving up must be made in writing at the trial site to the Trial Secretary not later than the day preceding the event.

Novice Information: Dogs having attained their first AKC Agility title (STD, JWW, T2B, or FAST) must be moved to the Novice B class (STD, JWW, or FAST) for all trials for which entries have not closed. If entries have already closed on the date the dog obtained its title, the dog shall remain in the class in which it was originally entered or be moved up in level (i.e., Novice to Open) at the request of the owner; subject to the move-up criteria, except as stated in Chapter 1, Section 21 regarding Novice A entries.

Section 21. Entry of Ineligible Dog. A dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions: The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. EMAILED MOVE-UPS: When emailing a move-up, please provide the following information. **TRIAL NAME**, Owner Name, Dog Call Name, Move up for what days (from – to etc.), Move up for what classes, (from- to) (PLEASE include STD, JWW)

Deadline for Pre-Trial Move Ups for this trial is Monday, January 6, 2025

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day. **A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.**

Fix and Go On

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. **Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.**

For Exhibition Only

Entering For Exhibition Only (FEO)

As of January 1, 2020, and amended on July 1, 2024, **Section 21. For Exhibition Only.** At the option of the club, a handler may choose to change any class entry into a For Exhibition Only (FEO) run. The handler must notify the scribe and the judge as they enter the ring prior to the start of the run that they are doing an FEO run. The scribe sheet shall be marked "FEO", no time "NT", and "E" for an excused, non-qualifying run. Maximum Courses Time for FEO shall be 45 seconds for all classes, except for FAST which will use the set FAST course times. Allowing FEO runs is at the option of the club. Clubs must allow ALL classes to be run as FEO if they choose to offer this option. It must be stated in the premium and any pre-trial publications. **Participation in FEO is non-qualifying.**

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. **FEO does not need to be noted on the entry form; the handler will declare the day of the show.**
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring (Toys must be non-audible, may not leave the handler's hand, and toys that roll freely cannot be used)
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.
