### DATA ENTRY AND CHANGES TO YOUR INFORMATION

Data entry mistakes happen. That is why we ask everyone to **READ** their preliminary confirmation and final confirmation. For the majority of entries, dog and owner/handler information remains the same. However, if you have a: **New email address, New Titles, New Handler, New address and phone, New jump height (including jump height changes from trial to trial. For example, dog jumps 24" at one trial, then 20" in the next trial.)** Highlighting **ANY** of these changes on entry forms would be especially helpful so that these changes can be updated in our database. Then, please review your confirmations carefully to ensure that your requested changes have been made.

**For overnight delivery, signature waiver -** Please remember to check the **No Signature Required** box **AND** sign that spot where you authorize them to deliver.

**Move Up Deadline** - Remember that the Move-up Deadline for your first day of a weekend trial is ALWAYS **Monday at 6 pm**. Please send those move-ups in right away.

**Novice Exhibitors** – please read the section on the move-up form or under Move-ups about when you need to change from Novice A to Novice B and also read the section under classes to determine whether you should enter Novice A or Novice B level classes.

### Email Correspondence

**We ALWAYS acknowledge all entries with an email. You will either get a preliminary confirmation or waitlist email. If you do NOT receive an email from me DO NOT assume you got into the trial. You NEED to assume I didn't get your entry.**

## High In Trial Golden Retriever Award

Golden Retrievers from EACH class level (Novice, Open, Excellent or Master) that qualify in BOTH Standard and Jumpers are eligible to win. Excellent/Master dogs will be scored at 100%, Open dogs at 95% and Novice dogs at 90% of their score. The Golden Retriever with highest total points will win. In the event of a tie, the yards per second will be calculated for each run and averaged. The fastest collective time will win. There will be one award for the Regular division and one award for the Preferred division each day.

## New – All Breed Novice A Teammate Award

This new award is being sponsored anonymously in honor of an Extraordinary Novice A Teammate. This award is open to any dog entered in at least one class, who at one time (now or previously) was their Novice A teammate. Use the following link to register. ## Class Changes Effective January 1, 2020

### Entering a Mixture of Regular and Preferred Classes

#### Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day. A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class (es) and/or jump heights belong together for each trial day of the weekend.

### Fix and Go On

#### Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

### For Exhibition Only

#### Entering For Exhibition Only (FEO)

As of January 1, 2020, and amended on July 1, 2024, Section 21. For Exhibition Only. At the option of the club, a handler may choose to change any class entry into a For Exhibition Only (FEO) run. The handler must notify the scribe and the judge as they enter the ring prior to the start of the run that they are doing an FEO run. The scribe sheet shall be marked "FEO", no time "NT", and "E" for an excused, non-qualifying run. Maximum Courses Time for FEO shall be 45 seconds for all classes, except for FAST which will use the set FAST course times. Allowing FEO runs is at the option of the club. Clubs must allow ALL classes to be run as FEO if they choose to offer this option. It must be stated in the premium and any pre-trial publications. **Participation in FEO is non-qualifying.**

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (any class prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. **FEO does not need to be noted on the entry form; the handler will declare the day of the show.**
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring (Toys must be non-audible, may not leave the handler's hand, and toys that roll freely cannot be used)
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

## Measuring and Height Card Information

If your dog does not have a Temporary or Permanent height card, or if your dog has turned 2 years of age, since getting your temporary height card, your dog NEEDS to be measured.

All dogs competing in agility must possess an official AKC Jump Height Card. Dogs that do not have a valid Jump Height Card must be measured by a judge of record for that trial and will only be effective for that set of trials, excluding the dogs jumping in the 24-inch or 24C-inch height division.

If an official measurer is present, all dogs that have not been issued a permanent Jump Height Card or temporary jump height (yellow) form must be measured for a Jump Height Card regardless of the jump height entered.

If there is not an AKC Field Rep or VMO in attendance, all dogs that have not been issued a permanent Jump Height Card or temporary jump height (yellow) form may still compete; however, they must be measured by a judge of record for the trial, prior to running at each trial. The judge's measurement will be valid for this trial or back- to-back trials only.

If a dog is measured by an AKC Field Rep or VMO and is now eligible to jump in a lower height class, the measurement is effective immediately for any future runs. This does not apply to a challenge measurement for a permanent jump height card.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process.

**It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. Regulations for Agility Trials, Chapter 2, Section 4.**

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767.
